It's that time of year again...snow, ice and wind! To ensure the safety of our Artists during inclement weather, please watch WGAL or go to their website: <http://www.wgal.com/weather/closings> to see the most updated listings. Friendship Heart Studio will post delays, closures, or early dismissals via WGAL. Schedule changes will pertain to both Studio locations.

**When Friendship Heart Studio has a two-hour delay**, doors will open at 10:30AM. Pick up is the normal 3PM.

**Friendship Heart Studio early dismissals are determined on a case-by-case basis.**

If there is snow, ice, extreme wind, please make sure to check WGAL. Even if conditions look okay near your home, it could be worse at Friendship Heart Studio locations.
